WHO WE ARE

Our C.M.D. is Mr. Kishor Jalindar Mane by Profession he is into construction field and he is having more than 26 years experience in construction as well as banking and insurance field.

Aarvixa Multitrade Private Limited is a purpose-driven e-commerce and network marketing company committed to improving everyday life through high-quality personal care, home care, and wellness products while creating sustainable income opportunities for individuals across India.

Founded with the belief that health, hygiene, and financial freedom should be accessible to everyone, Aarvixa Multitrade Private Limited combines innovation, affordability, and ethical business practices. Our products are carefully developed to meet modern lifestyle needs, ensuring quality, safety, and value in every offering.

At Aarvixa Multitrade Private Limited, we are more than a product company—we are a people-centric platform. We empower our partners with transparent systems, fair compensation plans, training support, and long-term growth opportunities. Our network marketing model is built on trust, consistency, and mutual success, enabling individuals to build their own businesses with confidence.

We believe real success comes from uplifting communities, encouraging entrepreneurship, and promoting self-reliance. With a strong focus on customer satisfaction and partner development, Jeevancare Multitrade Private Limited is steadily building a nationwide network driven by integrity and shared prosperity.

Aarvixa — Caring for Life, Growing Together.
